

CLACKAMAS
SERVICE CENTER

Donation Requests during COVID-19

We are asking for your support at this time because our food and hygiene requests are at an all-time high. At Clackamas Service Center, our core food services endure, as we pack and deliver food boxes to families and individuals in need, and continue to serve to-go meals to our houseless clients.

Monetary gifts can be made at <http://www.cscoregon.org/donate>, or sent in by mail to PO Box 2620, Clackamas OR, 97015. Funds donated right now will increase our food purchasing power, and cover the additional costs of cleaning supplies, to-go containers, gas for our delivery drivers, hazard pay for our frontline workers, and regular expenses and bills.

We are also asking for help from the public with a few specific in-kind items.

HIGH NEED ITEMS (updated 5/14/20)

- **bottled water & small electrolyte drinks**
- **canned/pouch tuna, pasta, cold cereal, small jars of peanut butter, fruit cups, protein bars, canned chili or stew, canned fruit, other small snack items** – pop-tops are best for canned items
- **tarps** – new or gently used, especially 8x10 or similar sizes
- **men's jeans or sweatpants**, especially waist sizes 30-34
- **women's jeans, leggings or sweatpants**, especially sizes 6-12
- **adult t-shirts, hoodies, and jackets**
- **individually packaged toothbrushes & toothpaste**
- **shampoo, conditioner, body wash, bar soap, deodorant**
- **dish soap & other household cleaners**
- **phone chargers**, especially older Android and iPhone chargers

This site is a great resource if you want to buy toothbrushes, paste, dish soap, or other cleaning or hygiene items in bulk: <https://www.cleanitsupply.com/>

We expect all of these items to be continuing needs through the duration of the pandemic.

Please do not bring items to CSC to drop off unless you've pre-arranged a time to do so. We can arrange no-contact pick-ups! If you are part of a group and able to coordinate to have all the items left on one person's porch or another central location, this makes our work much easier. **Please contact Krista Harper at krista@cscoregon.org, or (503) 927-0582 to make donation arrangements, or if you have any questions about any kind of donation.**

Thank you so much for your support!
