Clackamas Service Center (CSC) is a growing non-profit with a strong support base in Clackamas County, Southeast Portland, and beyond. By providing immediate essential resources to people experiencing food insecurity or homelessness, our services help community members re-allocate their dollars towards goals such as maintaining or attaining stable housing. Annually, through the support of individuals, service clubs, churches, businesses, government agencies, and other non-profits, CSC improves the lives of over 10,000 people each year.

Since CSC's founding in 1973, the organization has operated out of a former church near the border of Clackamas and Multnomah counties. In September 2021, we expanded into a second location, called the Food Hub. The new location grew our food storage capacity by 8,000 square feet, and with so much more space, CSC can store and distribute groceries on a much grander scale.

Meanwhile, our original location continues to serve as a one-stop service hub addressing the needs of our unhoused community members by providing free hot meals, groceries, clothing, and showers, as well as supportive services such as medical care, dental care, and one-on-one mentorship. Our annual Harvesting Hope event attracts 250+ supporters each year. Local business, club, and individual sponsor support at our annual event is vital to continue delivering these critical services to individuals and families seeking food relief and other resources for improved health, dignity, and stability.

SPONSORSHIP LEVELS & *Benefits*
